

March 2024

Early Literacy Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					MATH 1 Count the colors in a rainbow. Can you name them all?	READ 2 <u>Watch and listen to a Dr. Seuss read aloud to celebrate his birthday and Read Across America Day!</u>
WRITE 3 Parents, let your child experiment "writing" with different materials. Crayons, markers, chalk, and pencils are all great options.	SCIENCE 4 Talk to your child about the weather. Is it cold or warm outside? Raining? Sunny? Cloudy?	ART 5 <u>Make shamrock art with green paint and a paper tube.</u>	SING 6 <u>Sing "Five Little Shamrocks."</u>	WRITE 7 Use cereal or small crackers to write the letters of your name.	SCIENCE 8 Shamrocks are green. What other green things can you find?	PLAY 9 Turn on the music and dance. When the music pauses, freeze!
RHYME 10 Make up a silly rhyming poem and sing it with your family.	READ 11 Take your mom or dad to the library and have them find their favorite childhood book to share with you!	SCIENCE 12 Today is Plant a Flower Day. Celebrate by planting seeds in a paper cup to see what happens! Be sure to place the cup in the sunshine and keep the soil moist.	TALK 13 March starts with the letter "m." What other words begin with "m"?	SING 14 Sing in the car! Turn the radio up and enjoy your favorite songs.	READ 15 As you go about your day, look for words and read them! Look for words on street signs, food packaging, and buildings.	WRITE 16 Write your name using a different color for each letter.
TALK 17 Happy St. Patrick's Day! Can you talk like a leprechaun?	MATH 18 Count your steps. How many steps from your bedroom to the bathroom? To the kitchen? To the outside door?	SCIENCE 19 Spring is here. What sounds do you hear in spring that you didn't hear in winter?	PLAY 20 Today is the first day of spring! Go outside and enjoy this new season. What changes do you notice outside?	SCIENCE 21 Spring is here! Have any of the plants or trees in your yard started to grow leaves? Go outside and check.	ART 22 Parents, draw an outline of your child with sidewalk chalk and let them fill in their features!	MATH 23 Read your favorite book and look for things that are green. How many did you find?
PLAY 24 <u>Hug your family today!</u>	COOK 25 <u>Today is waffle day! Make waffles with your family and enjoy breakfast for dinner!</u>	RHYME 26 Dr. Seuss books are full of rhyming words. Read your favorite and watch for words that rhyme	READ 27 Spring arrived last week. Find a nice spot to read books outside.	TALK 28 Parents, expand on things your child says. If they see a dog and say "dog," ask where he is going, is he hungry, how is he feeling.	PLAY 29 Flowers begin to grow in spring. Can you start off small and grow tall like a flower? Add music and make it a dance!	READ 30 Visit the library and borrow some new spring books! Share them with your family.
SING 31 <u>Sing these songs about spring!</u>
